CDS CONTRACT A Supplier Update

Once more CDS Contracting has been thrown into chaos following the LSC's recent decision to abandon its Autumn reform timetable and to introduce an interim six-month Contract in January 2008 as an alternative. By the dates of these courses the month long window for firms to consider and sign the new contract will be over and a further volley of 'consultations' begun. The latter will deal with some of the key features such as the impending 'litigator's fee' and, more long term, Best Value Tendering

For those seeking to make sense of this situation, we have revised our training programme to provide a practical working overview of the developing situation. Focusing on the practicalities of preparing for January, this course will cover:

- **New 6-month contract overview**
- **Duty Solicitor arrangements:**
 - Rotas
 - Boundaries
 - Personnel
- **VHCC developments**
- **The impact of CDS Direct**
- **Litigator's fee proposals**
- **Peer Review live update**
- **Towards Best Value Tendering**
