PROFITABLE LEGAL AID

The Essential Guide to profitable fee-earning under the Unified Contract [3 CPD]

- SENIOR PARTNER
- CATEGORY SUPERVISORS
- LSC FRANCHISE REP
- TRAINING MANAGER

The nearly universal move to standard or graduated fees for Legally Aided work presents a set of new challenges, especially in the Crown Court and for Public Law Childcare cases.

Firms need to be confident that they are moving quickly into profitability in an "output" funding regime with fee earners needing to embrace new methods of working to help achieve this.

This course is designed to assist with both of these needs and will cover the following essential areas:

- Understanding the claims regime
- Managing audit risk
- Maintaining quality
- Thinking profitably
- Fee earning profitability:
 - Planning cases
 - Managing cases
 - Managing caseloads
 - Efficiency savings
 - Efficiency strategies
- Monitoring and Measurement

The morning session will focus upon the Family and Civil scheme, the afternoon with Crime.
