BILLING
TRAINING

Fixed Fees made Easy

After the last round of the accredited training course “Practical Billing” we have experienced increased requests for on-site, one-to-one training.

These training sessions have been delivered in 2-hour modules and the feedback has been very positive.

We have therefore decided to offer these sessions to a wider audience:

These sessions are made up of the following elements, tailored to each individual firm’s needs:

- Review of the applicable fee schemes to ensure a good sound understanding, covering:
 - Litigators Graduated Fee Scheme (LGFS) ○
 - Police Station Fixed Fee Scheme ○
 - Family, Public Law & Mental Health Graduated Fee Schemes ○
- Ensuring that firms have correct and up-to-date information and guidance
- Practical Exercises in the billing/costing and reporting of files under the relevant schemes
 - A review of the billing process within the firm to ensure compliance.

Depending on location, a typical 2 CPD Billing Session starts at £250 plus VAT.
